

## Accreditation Consulting Services

### Save Time. Stay on Track. Lead with Confidence.

Innivee Strategies provides specialized consulting services for Deaf schools and programs preparing for initial or renewed accreditation. We deliver efficient, standards-aligned solutions through a personalized, culturally fluent approach grounded in over 50 years of collective leadership and consulting experience.

Whether you're pursuing CEASD, Cognia, or Middle States, we work directly with your team to align timelines, clarify expectations, and ensure your accreditation journey reflects your program's strengths and vision.

- ☒ **Outsource Data Tasks**  
We handle surveys, data collection, and analysis so your team can focus on students.
- ☒ **Efficient & Time-Saving**  
Our ready-to-use frameworks and ASL content save hours of internal work.
- ☒ **Standards-Aligned Tools**  
All tools align with accreditation indicators and are field-tested.
- ☒ **Inclusive & Multilingual**  
Surveys available in ASL, English, and Spanish for full community access.
- ☒ **Culturally Inclusive & Deaf-Led**  
Rooted in Deaf education experience for relevance and accessibility.
- ☒ **Impartial & Confidential**  
A trusted third-party process that's fair, inclusive, and secure.

#### We've already done the heavy lifting.

Our frameworks are pre-aligned to standards, refined with real clients, and updated continually—saving your team hundreds of hours.

Let us handle this critical process, allowing you to focus on your primary mission: educating and supporting your students.
